BEFORE I DIE - JENNY DOWNHAM

Tessa has a list of 10 things she wants to do before she dies. At just 16 and with only months to live, she must fit in so many critical teen experiences in a short time. How Tessa makes her choices, how she carries them out and, above all, how she and those around her cope with living and dying is beautifully and movingly told.

LONG REACH - PETER COCKS

Pulling no punches, this action-packed thriller grabs you by the scruff of the neck and doesn't let go. Seventeen-year-old Eddie's world turns upside down after the death of his brother. Refusing to accept that his sibling killed himself, Eddie signs up for the same undercover police work his brother was engaged in, in the hope that he can discover the truth. Soon, he is asked to infiltrate the same notorious gangland family ... Peter Cocks never takes his foot off the gas as he piles on the twists and turns that Eddie must take in his quest for the truth. Ages 14+
